

Illinois Department of Transportation

Danville Main Street (US 136) from Pine Street to Collett Street

March 31, 2006

For the Week of April 2 to 8, 2006

Storm sewer construction will continue in the center of Main Street. Another storm sewer operation will begin on April 3 and proceed toward the Norfolk Southern Railroad. A storm sewer will be tunneled under the railroad tracks on April 10th.

At times, the center turn lane will be closed at intersections. This will result in a side street closure, for left turning vehicles.

Buchanan Street will be open this week. Corrine and Elizabeth will be closed this week to motorists who would turn across the middle of Main Street on their route. There will be a trench in the center turn lane for the storm sewer. Cross traffic will not be permitted.

Please use caution when driving in the work zone.
Please obey the 20 mph speed limit in the construction zone.

There will be moderate delays and congestion this week

For your safety, please stay out of work areas, and obey the sidewalk closed signs.

Please be aware that Danville Mass Transit might alter bus routes. Please contact them for more information.
